Colour Key:

- Results with a green background indicate that the exam in that module has been passed and they are allowed to judge at ERSO and FISAC championships.
- Have passed the test in the rules of 2008. Just have to follow an update in order to be allowed to judge.
- Have passed the diff test of the rules of 2008. Since the diff rules changed so much, they have to do the exam again.
- These people almost passed. If they contact Pieter Himpe, he will send them more material to work on in order to pass.
